

18.4.18

Dear Parent/Carer,

As you know, during your child's time in Nursery, they have been involved in lots of fantastic storytelling using Tales Toolkit.

As we near the end of the school year, we would like to invite parents to join us in one of our Tales Toolkit big bag story sessions. We will be putting up a list on the Nursery noticeboard with 6 spaces for parents to sign up for one slot. If you feel you would like to join us for a story please sign our list. Our stories take place on Thursdays at 9.10am and 12.40pm (as the number of children attending only in the afternoon is so small we will just do one session for parents). They are usually 20-30 minutes long but as the children decide what happens in the stories, the timings are approximate.

Our stories take place sitting on the carpet so please be prepared to sit down with us. We all join in with the stories including songs, actions and sound effects, so again please come prepared to participate rather than just observe!

The dates for our stories are
Thursday 3rd May (am & pm)
Thursday 10th May
Thursday 17th May
Thursday 24th May

If all sessions are full we will continue after half term.

We hope you can come and join in the fun!

Nursery Staff.
